

# Adopt an Oakland School

## 2024–25 Impact Report

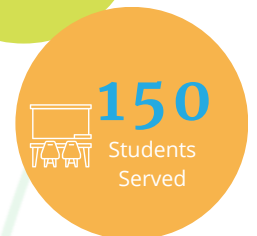

### Program Overview

Weiss Associates partnered with the Oakland Ed Fund for a year-long initiative at Hoover Elementary, concentrating on STEM education. This program seeks to connect local businesses with Oakland schools to cultivate a positive campus environment, enhance student academic achievement, and strengthen teacher capability.

### Program Activities and Details

In August 2024, volunteers from Weiss participated in the Back-to-School Campus Beautification Week, assisting educators in preparing for the return of students for the new school year. Their efforts included decorating bulletin boards, organizing materials, and setting up classrooms at Hoover Elementary. Additionally, volunteers hosted two Science Demo Days in December 2024 and May 2025, where students engaged in hands-on activities that simulated real-life science scenarios, such as tsunamis and the water cycle.

### Volunteer Events

- **Back-to-School Campus Beautification**  
— August 2024
- **Fall Science Demo Day** — December 2024
- **Spring Science Demo Day** — May 2025

# Thank you!

Thank you so much for volunteering at Hoover Elementary this year. Your impact on the students has been truly significant, and we are incredibly grateful for your dedication. We look forward to continuing our partnership and making even more positive contributions together in the future.
